Organized Child Workshop

Let's finish the school year in an organized fashion!

Friday, May 15 at 5pm

First Church of Christ, 136 Main Street Sandwich

Organization is an executive functioning skill that can be strengthened with the development of systems and strategies. This hour-long presentation at First Church explains why some children – with or without a diagnosis of ADHD – struggle with organization. Strategies that can be implemented immediately will be covered during this interactive presentation by Tracey Bromley Goodwin and Holly Oberacker of Navigating ADHD.

Registration requested by May 11; walk-ins also welcome. Childcare provided if requested by May 8.
Suggested donation: \$5 (\$10 if childcare is needed)
